

BONEFISH BONNIES ANTHEM

To the tune of My Bonnie Lies Over the Ocean

The Bonnies love fishing together,
The Bonnies love being at sea,
The Bonnies are faithful forever
To our idol Bonefish Bonnie
Tarpon, permit, we're thrilled when we see them and get a hit.
Bring guide and Bonnie pal,
We'll head for the waters we know so well.
The Bonnies love fishing together,
The Bonnies love being at sea,
The Bonnies love stalking a bonefish,
As taught us by Bonnie Nancy.
A bad cast, the fish is gone, Cast again to get one on.
This sure beats the household chores,
We'd rather be out here and not indoors!
The Bonnies love fishing together,
But this isn't all that we see;
We learn about knots and weather,
And when Nature calls, where to pee!
Learning at lunchtime,
You'll find us at Anglers where the food's sublime!
Face to face with fishing greats,
We ask lots of questions and clean our plates.
The Bonnies are women who angle,
The Bonnies live at ORC,
The Bonnies encourage each other
To be the best that they can be!
