

TIGHT LINES

September 5, 2021 - Volume 9, Issue 1

Labor Day - Marking the end of the summer holidays while honoring those whose work makes our nation strong.

Beginning of a new season...

Yes, it's time to say for the umpteenth time, "Where did the summer go?" Well, it's gone and that means the beginning of a new season of fishing, fun and friendship for the Bonefish Bonnies.

Membership forms will be coming your way in October and will include the calendar for 2021-22. The calendar will be published in the September 19th issue of **Tight Lines**. Much like last season we will be following Ocean Reef Club COVID guidelines for keeping us healthy and as such the calendar may be adjusted as we go along.

Mark your calendars now for our opening meeting/luncheon on November 17th. As usual, details will be in the weekly **Tight Lines** as well as the **Ocean Reef Press** and posted on the Bonnies' bulletin board. See you then!

"The charm of fishing is that it is the pursuit of what is elusive but attainable,

a perpetual series of occasions of hope."

John Buchan, Scottish author and historian
