# TIGHT LINES

October 2, 2022 - Volume 10, Issue 3

## Membership Forms Now Available Online

Take your pick! Computer, I-Pad, mini I-Pad or phone, as long as you have internet access you can renew your membership or sign up as a new member online. No snail mail, no hand printing information, no writing checks, no stuffing and stamping envelopes.

There are two forms needed to complete your renewal or apply for a new membership online. The first is the Application Form

which contains your personal information including your ORC Member Number for payment of the \$100 annual dues (this charge will show up on your November ORC statement). By signing and submitting this form

each member consents to receive electronic communications from Bonefish Bonnies, Inc. via Tight Lines emails sent using Constant Contact.

The second is the Waiver and Release of Liability Form. Our previous Waiver and Release had been reviewed by our corporate attorney who then provided us with the new Waiver and Release of Liability Form that covers all activities this season that are hosted by Bonefish Bonnies, Inc. This will eliminate the time our events chairpersons spend chasing us down to sign waivers as well as saving reams of paper.

The form requires checking an "I Agree" box as well as entering your name on the signature line and filling in the date. If minors under the age of 18 are also participating in any activities, an addendum to this agreement must be signed by you for your minor children to participate. Access to this addendum will be available on the Bonnies' website.

If you have any questions regarding the online forms please contact:

President Laura Wilson, [cflba@icloud.com](mailto:cflba@icloud.com)

or

Membership Chairperson, Bonny Gothier, [bonny@jcbarprop.com](mailto:bonny@jcbarprop.com)

### ***PLEASE NOTE***

If you would like to register online you can do so by clicking on the links above or by going to the Bonnies' website and filling the forms in there. The Membership Committee asks that if you are planning to use the online forms that you do so ASAP so

that they can reduce the number of forms mailed out thus saving money on both paper and postage. If you'd like paper forms do nothing now and just sit back and wait for your snail mail to be delivered.
