First Deadline of the Season

This coming Friday, November 11th is the deadline for reservations for the opening meeting and luncheon of the Bonnies' 24th season. Don't forget to make yours. Please see the article below for details. We're looking forward to sharing information about this season's activities as well as enjoying a "walk down memory lane" video with everyone.

See you at Town Hall Waterside on November 16th.

Board members: President Laura Wilson, Vice President DeeDee Lisenby, Treasurer Johanna Carrier, Secretary Liz Zug, Carol Andrews, Diana Frazier, Allison Freeland, Bonny Gothier, Jan Miller, Patty Strunk, Kathy Weiland, Laura Zausmer, Jodi Zifferer and Founder Nancy Zakon and Ex Officio Member, Mary Bloom(immediate past president).

Make your Reservations Here!

The fun begins on **Wednesday, November 16th at Town Hall Waterside**. A plated, three course meal (soup, entree & dessert) similar to the ones we enjoyed so much last season on the Sailfish Terrace at Carysfort Hall will be served.

Much like the rest of the world, Ocean Reef Club (ORC) has been affected by rising food prices and increasing wages which means **an increase in the cost of our luncheons to \$45 plus taxes and gratuities.**

As we now use our ORC member numbers to make our luncheon reservations, ORC has agreed to charge our accounts individually rather than as a group so that **we will enjoy our individual discounts** according to our membership type.

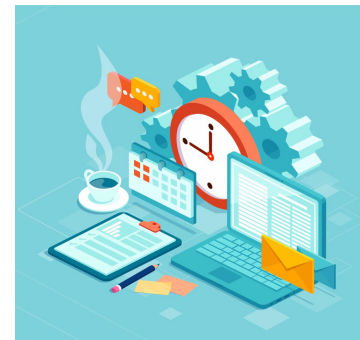

ORC is requesting a list of attendees and their ORC numbers five days before the meeting which will make our **reservation deadline Friday, November 11th. Please understand; ORC is holding us to this deadline.**

Make your reservations by clicking [here](#); emailing your name and ORC number to [Bonefishbonnies1@gmail.com](mailto:bonefishbonnies1@gmail.com) or sending a note with your name and ORC number to **Bonefish Bonnies, Inc., 24 Dockside Lane, PMB 1, Key Largo, FL 33037 .**

Mona Brewer with her Zebra caught in Spain's Pyrenees Mountains.

Just in case you missed it...check out the story about another globetrotting Bonefish Bonnie in this week's *Ocean Reef Press* (pg.23).

Past President Mona Brewer caught this Zebra Trout, considered the oldest variety of trout on the European continent, while traveling in Spain's Pyrenees Mountains. Mona, we're all very excited for you and yes, just a little bit jealous.

"Our Statue"

As we approach the fifth anniversary of the February 16, 2018 dedication of the *Lady Angler* statue, her anonymous guardian is asking your help in protecting her from the anonymous, well-intentioned "coconut artists" who have brought so many smiles to the

community with their creative art. If you should know any of them please ask them not to place their art on the artwork of others. Gregory Johnson, sculptor of some of the pieces of public art here at Ocean Reef, has spoken about the time and effort artists put into their pieces and how they have a specific vision for each piece and that piece is a part of them. While it is public art, each piece should be treated with the respect it deserves.

The *Lady Angler* thanks you.
