*We're All Invited!*

Our founder, Nancy Zakon, is being presented the Izaak Walton Award by the American Museum of Fly Fishing (AMFF) on March 13th via ZOOM at 8:00 PM EST and is being honored at a celebratory reception on March 14th at the Key Largo Anglers Club at 6:00 PM.

Nancy is inviting all of us to participate in the ZOOM call on March 13th by registering at [amff.org/iwa-2023](https://amff.org/iwa-2023) and to join her and AMFF Board representatives at the reception and auction on March 14th. Spouses/partners are also invited. Please RSVP to [amff@amff.org](mailto:amff@amff.org). Both the ZOOM registration and the reception are complimentary.

The AMFF established the Izaak Walton Award in 2014 to honor and celebrate individuals who live by the Compleat Angler philosophy. Their passion for the sport of fly fishing and involvement in their angling community provides inspiration to others and promotes the legacy of leadership for future generations.

Nancy has lived that philosophy. As past president of the International Women's Fly Fishers, instructor in ORVIS's first women's fly fishing school, a designer of ORVIS's first women's flyfishing gear, founder of Juliana's Anglers and Sporting Club of New York City and of the Bonefish Bonnies, she has been a trailblazer for women in fly fishing.

Thank you, Nancy, for all you have done and continue to do for the Bonnies. We thank you for the invitation and look forward to being with you on March 14th.
