# TIGHT LINES

*Volume 11, Issue 25, April 21, 2024*

## **Letter from President Laura Wilson**

Dear Bonnies,  
What a season! I think that it is safe to say we properly celebrated our 25th anniversary in style. We partied, we lunched, we learned, we traveled, we fished, we laughed and most importantly we made memories to last a lifetime with our dear, fellow Bonnie friends.

It takes a village and this is one village that I couldn't be more proud to be a part of. A sincere thank you to all of the women who came out and participated and a big round of applause for all of the Bonnies who organized the many events and tournaments that were held.

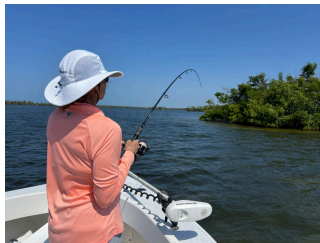

Plans are underway for lots of fun and exciting events for next season. For trip updates and opportunities, keep your eyes out for special edition Tight Line newsletter announcements. On behalf of your very enthusiastic board, I would like to wish you all a happy and healthy spring and summer. Tight Lines!

## Gasparilla Island Fishaway

Day one of the last Bonnies fishaway of the season saw all eight Bonnies catching at least one snook. They also caught redfish, ladyfish, a few jacks and enough speckled trout for the chef at the Pink Elephant restaurant at the Gasparilla Inn to make appetizers and a main course for dinner that evening.

Day two the winds picked up and as one of the anglers described them, "they were hooley booley", reaching gusts of 40 mph. Fishing "The Pass" and catching tarpon would have to wait till next spring. Everyone agreed although the fishing was cut short, it was a great trip.

Shown in the photos below are Susannah Shubin, Carolyn Allen, Suzanne McMannon, Ina Broeman, Bonnie Carpenter, Lynne Jackson, Tina Jones and Joyce Neely. Many thanks to board member Tina Jones for organizing the trip.
